“Clean Up and Catch Up”

Do you remember the old TV show called “Bewitched”? Samantha Stevens would just wiggle her nose and her magic would work. Ever wish you could do that with your housework?

Well, we have a program that’s exactly like that. We come in for a one day cyclone of cleaning and get you back to scratch again.

Imagine a fresh start! You could gain control of your own household again.

Easy as 1, 2, 3!

1. Call or email Northgate Support Services and schedule a day for us to come in.
2. Make a list of all required services and then figure out how you will relax for that day.
3. Come home to a sparkling home and enjoy.

We will send a team of three cheerful, competent and enthusiastic workers to come in and bring you back to pristine.

Only \$60.00 per hour (minimum of 2 hours) plus GST.

All of our staff are protected by our liability insurance and Worksafe BC.

*"We have time
for you."*
